

Profile

Motivated and detail-oriented Frontend Web Developer with practical experience in building responsive and interactive web interfaces using HTML, CSS, JavaScript, and ReactJS. Collaborative team player with a strong foundation in UI/UX principles and a passion for learning modern frameworks and tools. Adept at debugging, performance optimization, and integrating APIs into frontend components.

Professional Experience

Web Developer

Dwrko Technologies

2024 – Present

Projects

My Portfolio

- Designed and developed a responsive personal portfolio showcasing skills, projects, and contact information and implemented dark/light mode

Mini Amazon

Developed a Mini Amazon Clone using React, featuring product listing, search, add-to-cart, and checkout functionality.

Todo App

- Built a task management app with add, edit, delete, and mark-as-complete features.
- Integrated LocalStorage for persistent task saving across sessions.

Github

Active GitHub profile with project repositories and clean commit history.
